

IN THE DRAWINGS:

The attached sheets of drawings include corrections to FIGs. 2, 5, 7, 9, 10 and 12. These sheets, which include FIGs. 3, 4, 6, 8, 11 and 13, replace the original sheets including FIGs. 2 through 13.

Specifically, FIG. 2 has been revised to change the cursive style lowercase "L" to an italicized lowercase *L* to match the equations in the specification; FIG. 5 has been revised to add the reference numerals 26 and 34' with appropriate lead lines; FIG. 7 has been revised to lengthen the lead line extending from reference numeral 2 and to shorten the lead line extending from reference numeral 18; FIG. 8 has been revised to add reference numerals 30 and 30' with appropriate lead lines; FIG. 10 has been revised to change reference numeral "28" to 28 to eliminate redundancy with previously used reference numerals; and FIG. 12 has been revised to add reference numerals 30 and 30' with appropriate lead lines. No new matter has been added.

REMARKS

No new matter has been added. The amendments to the specification, abstract, drawings and claims correct typographical errors, improve antecedent basis, and do not affect the scope of the claims. Entry is respectfully solicited.

This amendment is submitted prior to or concurrently with the payment of the issue fee and, therefore, no petition or fee is required.

Respectfully submitted,

James R. Duzan
